[Abstract:] Submits estimate on Gas Furnace required in Machinist Dept.

American Gas Furnace Company,
New York,
September 15, 1893

Col. O.C. Bosbyshell,
Supt. U.S. Mint
Philada., Pa.

Dear Sir:

In pursuance to request for an estimate on the furnaces required in the Machinists Dept. of the Mint, we beg leave to submit the following:

- (1) one Hardening Furnace is now in operation in the Chief Engravers Dept. for Coin Dies, & which was made to order.
- (1) one No. 2 Forge (see catalogue).

225.00
50.00
\$275.00

These two furnaces would enable Mr. James to do away with coal & charcoal in his Dept. and pare space, labor, & be productive of cleanliness and commerce.

As soon as it is possible the writer will submit estimate for gas producing plant, as requested, and in giving orders for above furnaces we desire to say that all the furnaces can be made to run with the proposed fuel gas without any material changes, so that you can purchase these furnaces now as well as at any time hereafter regardless of gas plant.

Very Respectfully,
Yours,
American Gas Furnace Co.
